***Benefit Strategies for COVID-19  
Pandemic and the "new normal"***

**June 11 & 18 @ 4:00 pm**

**This is an unusual and unprecedented time. WE CAN & WILL get through it  
TOGETHER!**

- *Do you have benefit options in place that will take your company, and your most valuable asset, your employees, through and past this pandemic?*
- *Along with COVID-19, contractors in the trades also face the standard challenges of workers comp, employee retention, payroll taxes, attracting the right employees, and more. We can help!*
- *As Nevada re-opens to the "new normal", what risk management plan do you have in place?*
- *Would a new risk management strategy better protect you from the challenges of the "new normal"?*
